Open University Press. Paperback. Book Condition: new. BRAND NEW, The Social Work Dissertation: Using Small-Scale Qualitative Methodology (2nd Revised edition), Malcolm Carey, "This book is an indispensable and uniquely placed resource for any social work student daunted by the prospect of the dissertation, or indeed for practitioners who are starting out in research. Malcolm Carey has managed the difficult task of producing a guide which is not only accessible and full of practicable advice, but is also grounded in theory and strongly informed by social work values. As a social work PhD student, I would highly recommend this book to fellow students at all levels of qualification." Hannah Jobber, PhD student, University of York, UK "Malcolm Carey has written an excellent second edition. It combines discussion of theoretical issues with practical guidance, supported with clear examples. It achieves a rare balance of conceptual sophistication combined with the provision of down-to-earth advice. Students at undergraduate and postgraduate levels will find it answers the majority of their questions about how to do a dissertation in a very clear and accessible way." Professor Steven M Shardlow, The University of Salford, UK and Editor-in-Chief, The Journal of Social Work "I have recommended the first edition of this book to undergraduate and postgraduate students undertaking dissertations and I will definitely be recommending this 2nd edition. It is a very clearly written and accessible guide to the process of writing a research-based dissertation from first thoughts through to final writing up. The book is well laid out with excellent summaries of key points in table form. Carey takes the student through the research process discussing the importance of the different stages in contributing to the dissertation as a whole. This new edition has been updated to take account of new areas such as the growth of...
