Brand New Book ***** Print on Demand *****.Fellow impassioned Americans, how long has it been? How long have we been waiting for a moment like this? Just think! We, the American People - The 99 - have just been blessed with the opportunity to elect a president like no other; a leader poised to return America to its citizens. Indeed, Senator Bernie Sanders is not only the best candidate we've had in a woefully long time, he is, quite frankly, a revolutionary figure in the greatest sense of the term. The wonder and the dream of what could be! Indeed, now, for the first time in many a year, we have the opportunity to elect a president whose every lofty idea, every well-thought-out plan, and every sincere promise for America is actually borne of and based upon the radical notion that a United States president should do what is right for We the People, not for whichever corporate donors have paid the most for his or her election and who, when the time comes to pay the piper, are going to want a hefty return on their investment. There remains one small detail: Bernie Sanders needs to get elected. **MANY MILLIONS STRONG: Your Victory Guide to a Bernie Sanders 2016 Presidential Landslide** is a how-to guide and call-to-action written for us: the millions of Americans who have come to understand...
