Yale University Press, United States, 2008. Paperback. Book Condition: New. 295 x 211 mm. Language: English . Brand New Book. In this appealing book, acclaimed photographer Ralph Gibson offers more than sixty intimate black-and-white portraits of guitar masters playing their instruments. Focusing his expert lens on musicians who have lent their unmistakable voices to virtually every musical genre--jazz, funk, rock, acoustic, blues, fusion, classical, and experimental--Gibson reveals in each photograph the intense relationship of the player with his beloved axe. The musicians in turn offer individual meditations on the guitar and insights into the passion they share for it. State of the Axe features guitarists across several generations, from early jazz greats to hip modern rockers, as they play their widely varied guitars, including traditional six-strings, double necks, ten-strings, and fretless models. Gibson's images capture the enduring appeal of the instrument and the intense, often rapturous expressions of those who pick, strum, amp, bottleneck, and bow the axe. Fusing his own passions for photography and music, Gibson generates a rhythm of words and images that creates a compelling view of the state of the axe today. Among the featured artists: Adrian Belew Nels Cline Jim Hall Mary Halvorson Allan Holdsworth Bill Frisell John McLaughlin Lou Reed John Scofield Mike Stern Andy Summers James Blood Ulmer.
