## Virus Hunter (Paperback)

By C. J. Peters, Mark Olshaker

Bantam Doubleday Dell Publishing Group Inc, United States, 1998. Paperback. Book Condition: New. 201 x 132 mm. Language: English . Brand New Book. C. J. Peters has been on the front lines of our biological battle against hot viruses around the world for three decades. In the course of that career he has learned countless lessons about our interspecies turf wars with infectious agents: the terrifying symptoms and sometimes fatal diseases different virus families and strains cause, the importance of finding out how a virus is spread, as well as identifying the virus reservoir - the species of insect or animal where the virus hides. Called in to contain an outbreak of deadly hemorrhagic fever in Bolivia, he confronts the despair of trying to save a colleague who accidentally infects himself with an errant scalpel. Working in Level 4 labs on the Machupo and Ebola viruses, he shows time and again why expensive high-tech biohazard containment equipment is only as safe as the people who use it. From Central and South Africa to a deadly outbreak of a mystery virus in the American Southwest, from fieldwork in Egypt and the mountains of Kenya to immobilizing an army unit to stop...

### Reviews

*This composed ebook is wonderful. It really is written in basic words rather than hard to understand. You may like the way the writer composed this pdf.*

*This book can be well worth a go through, and a lot better than other. It is written in simple words and phrases and not confusing. It's been printed in an exceptionally simple way in fact it is merely right after I finished reading through this pdf by which basically changed me, modify the way I think.*
