ROMEO AND JULIET SIMPLY SHAKESPEARE

Barron's Educational Series. Paperback. Book Condition: New. Paperback. 304 pages. Dimensions: 8.9in. x 6.0in. x 0.9in. This lyrical tragedy of two star-crossed lovers and their feuding families is one of the worlds most famous love stories. Books in this new, illustrated series present complete texts of Shakespeares plays. The storys background is explained, followed by brief descriptions of key people who will appear in the act, details students should watch for as the story unfolds, discussion of the plays historical context, how the play was staged in Shakespeares day, and explanation of puns and plays on words that occur in characters dialogues. Identifying icons preceding each of these study points are printed in a second color, then are located again as cross-references in the plays original text. For instance, where words spoken by a person in the play offer insights into his or another characters personality, the Characters icon will appear as a cross-reference in both the introductory spread and the play proper. Following each act, a closing spread presents questions and discussion points for use as teachers aids. Guided by...
