

A Series of Pamphlets on the Doctrines of the Gospel (Deseret Alphabet Edition) (Paperback)

By Orson Pratt

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Orson Pratt (1811-1881) was an apostle of The Church of Jesus Christ of Latter-day Saints; at 24, he was the youngest member of the original Quorum of the Twelve. Had he not been briefly dropped from the Twelve in the winter of 1842/1843, he would have succeeded Brigham Young as President of the Church. Pratt was a genuine polymath, with major writings on theology, astronomy, and mathematics. He supervised the work of transcribing the Book of Mormon to the Deseret Alphabet and is responsible for our current chapter-verse divisions in the Book of Mormon. He wrote numerous pamphlets that were long used in missionary work, several of which are reprinted here. This book is in the Deseret Alphabet, a phonetic alphabet for writing English developed in the mid-19th century at the University of Deseret (now the University of Utah).

Reviews

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Brennan Koelpin**

Comprehensive guide! Its this type of very good read through. It is actually writter in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.
