Reviews

Very good e book and useful one. Better then never, though i am quite late in start reading this one. I am just quickly could possibly get a pleasure of reading through a published ebook.

(Laron Cartwright)

ON LIBERTY ; AND, UTILITARIANISM (PAPERBACK)

Bantam Doubleday Dell Publishing Group Inc, United States, 1993. Paperback. Book Condition: New. Reissue. 172 x 106 mm. Language: English . Brand New Book. Together, these two essays mark the philosophic cornerstone of democratic morality and represent a thought-provoking search for the true balance between the rights of the individual and the power of the state. Thoroughly schooled in the principles of the utilitarian movement founded by Jeremy Bentham, John Stuart Mill nevertheless brings his own unique intellectual energy to issues such individual freedom, equality, authority, happiness, justice, and virtue. On Liberty is Mill s famous examination of the nature of individuality and its crucial role in any social system that expected to remain creative and vital. Utilitarian brilliantly expounds a pragmatic ethic based on one controversial proposition: actions are right only if they promote the common good and wrong if they do not. While much of Mill s thinking was eventually adopted by socialists, it is in today s democratic societies--with their troubling issues of crime, freedom of speech, and the boundaries of personal liberty--that his work resounds most powerfully.
