Silence in Court

"How would you like to be a racket? A lawyer for a week, an actress for a week, then down with the stick and a stranger again."

Impetuous, warm-hearted Honora Maguire plans to revise her will – but before the papers can be drawn up, she is dead from an overdose of pills. All eyes are on Carey Silence, a penniless orphan who was recently made Honora's ward. Suspicion becomes evidence, Carey is arrested and her trial is prepared. So begins a classic golden age mystery with many suspects and twists. Who was the 'racket' referred to? Who was it Honora really intended to cut out of her will? And most importantly – who murdered her?

This novel, from 1965, tells the story of one of the most dramatic trials in detective fiction – the trial of Carey Silence. The new edition features an introduction by crime fiction historian Curtis Evans.

"When I pick up a book by Patricia Wentworth I think, now to enjoy myself – and I always do." Mary Dill, Daily Mirror

Book Review

A very wonderful pdf with lucid and perfect answers. Of course, it is play, nevertheless an amazing and interesting literature. You can expect to like just how the article writer compose this book.
