Discourses on Livy

By Niccolò Machiavelli, Julia Conaway Bondanella, Peter E. Bondanella

Oxford University Press. Paperback. Book Condition: new. BRAND NEW, Discourses on Livy, Niccolò Machiavelli, Julia Conaway Bondanella, Peter E. Bondanella, Discourses on Livy (1531) is as essential to an understanding of Machiavelli as his famous treatise, The Prince. Equally controversial, it reveals his fundamental preference for a republican state. Comparing the practice of the ancient Romans with that of his contemporaries provided Machiavelli with a consistent point of view in all his works. Machiavelli's close analysis of Livy's history of Rome led him to advance his most original and outspoken view of politics - the belief that a healthy body politic was characterized by social friction and conflict rather than by rigid stability. His discussion of conspiracies in Discourses on Livy is one of the most sophisticated treatments of archetypal political upheaval every written. In an age of increasing political absolutism, Machiavelli's theories became a dangerous ideology. This new translation is richly annotated, providing the contemporary reader with sufficient historical, linguistic, and political information to understand and interpret the revolutionary affirmations Machiavelli made, based on the historical evidence he found in Livy. The complete Livy in English, available in five volumes from Oxford World's Classics. ABOUT THE SERIES: For over...

Reviews

An exceptional publication as well as the font employed was exciting to see. it was actually writtern extremely flawlessly and helpful. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Dominic Collins**

This ebook could be worthy of a read through, and far better than other. I am quite late in start reading this one, but better then never. I realized this publication from my dad and i advised this publication to learn.
