A mother and her children are overlooked, and a child dies. Written for those who believe the Bible is the ultimate authority in all issues of life, this group of Christians feel they totally blew it by replacing God's written instructions with the status quo. Wanting to not make that mistake again, the Reverend Jim Harter leads a faithful few to embark on a one-year Bible study to ensure they apply Christ's model of faith and obedience in all matters of faith, life, business, and love. Sound impossible? It will be without the Holy Spirit's help and a simple question to guide them, What does the Bible say? -- but not everyone is happy with the changes. Ten years in the making and reflective of much of the author's 17 years as a Southern Baptist Pastor, In His Very Steps is a new Christian fiction series emphasizing seven disciplines around the disciples cross: obedience, witnessing, prayer, worship, fellowship, service, and discipleship. In What Does the Bible Say? Dr. Williams applies conservative theology and years of evangelical ministry to address ripped-out-of-the-headlines topics: evolution, professional ethics, pre-marital sex, contemporary theology, social responsibility, Christian division, Christianity and politics, and more. The stunning ending will leave you rejoicing while considering how wonderful the world could be if people lived by God's precepts instead of mankind's good-boy guidelines. In reality, living in the very steps of Jesus is not only possible but it is a promised, future reality (Rev 21).
