

Cannon s Universal Proof of Money Making (Paperback)

Filesize: 4.06 MB

Reviews

This ebook will never be effortless to get started on studying but extremely fun to read through. It is actually written in easy phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

Brand New Book ***** Print on Demand *****.This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1884 Excerpt: .them, as members of society in the United States. Protective tariff helps the manufacturer, and not the laborer nor the consumer. The government does not need to go in partnership any longer with the greedy manufacturers to rob the people for the latter alone. TARIFF AND MANUFACTURES. Oath s Correspondence. The Morrison tariff bill will have this purpose, if no other: To hold the country steady for a little while, and meantime the highly-protected interests will get some sense, because they will see that this measure, though it will not probably pass now, means less subsidy, and that the manufacturers must find other outlets. The Morrison bill may injure the Democratic party in the pending presidential election, but I do not believe it will be good policy for either party to draw very strong platforms on that question. There is a bushel of Republicans complaining about the tariff, and many of them see into its errors deeper than the average Democrat. In the State of New York, for example, there is an exceedingly large element of young Republicans who have been taught at school that the tariff principle, logically pursued, leads to glut and collapse. There is hardly a political book on that subject which does not take that ground. The man who would write of political economy on any other principle would occupy to economics about the same position as Joseph Smith and Brigham Young to theology. We do want to keep our American market,...
