Reviews

*A really wonderful book with lucid and perfect reasons. This can be for all who statte there was not a worth reading through. You are going to like how the author write this book.
(Dr. Grady Jacobi DDS)*

CRS REPORT FOR CONGRESS: INDIA-U.S. RELATIONS: FEBRUARY 9, 2006 - IB93097

BiblioGov. Paperback. Book Condition: New. This item is printed on demand. Paperback. 22 pages. Dimensions: 9.7in. x 7.4in. x 0.1in. The end of the Cold War freed India-U. S. relations from the constraints of global bipolarity, but interactions continued for a decade to be affected by the burden of history, most notably the longstanding India-Pakistan rivalry and nuclear weapons proliferation in the region. Recent years, however, have witnessed a sea change in bilateral relations, with more positive interactions becoming the norm. India's swift offer of full support for U. S. -led counterterrorism operations after September 2001 was widely viewed as reflective of such change. Today, the Bush Administration vows to help India become a major world power in the 21st century. In July 2005, President Bush and Indian Prime Minister Singh issued a Joint Statement resolving to establish a U. S. -India global partnership. In recent years, the United States and India have engaged in numerous and unprecedented joint military exercises. Discussions of possible sales to India of major U. S. -built weapons systems are ongoing. Plans to expand high-technology trade and civilian space and civilian nuclear cooperation, as well as to expand dialogue on missile defense, have become key bilateral issues in recent years. The Bush Administration has dubbed India a responsible state with advanced nuclear technology and seeks to achieve full civilian nuclear energy cooperation . . . This item ships from La Vergne, TN. Paperback.
