

Mister Boots (Paperback)

By Carol Emshwiller

Puffin Books, United States, 2007. Paperback. Book Condition: New. Reprint. 173 x 99 mm. Language: English . Brand New Book. Bobby Lassiter has some important secrets but it's not as if anyone's paying attention. It's the middle of the Depression, and while Bobby's mother and older sister knit all day to make money, Bobby explores the California desert around their home. That's how Bobby finds Boots. He's under their one half-dead tree, half-dead himself. Right away he's a secret, too a secret to be fed and clothed and taken care of, and even more of a secret because of what he can do. Sometimes Boots is a man. Sometimes he's (really, truly) a horse. He and Bobby both know something about magic and those who read this book will, too. A wonderful story about a man who is a horse, and a boy who is a girl about fake magic and real love about deaths that are part of living and the pain that pays for joy. I love it. Ursula K. Le Guin.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You won't feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
