Her graduate school advisor finally insisted she must learn, first hand, about ordinary life for non-privileged/non-protected/regular folks if she is to succeed as a behavioral scientist. To do so, Mary moved to Miami to be a waitress and secretly live as a lower-class person with only a high school education. Her totally-new experiences in doing so there and in further adventures greatly impacted her emotionally in both bad and good ways. Several unusual professions plus living in eight States with a wide variety of people over many years gave Mary the ordinary experiences and wisdom needed for both her professional and private lives. Various noteworthy -- and often intense -- interactions provided these deeper understandings while also greatly expanding her life. Mary s story is unusual, entertaining and inspiring. one that will leave you uplifted. SELECT EXCERPTS QUOTES: Why am I...
