

## Practical Guide to Inspection, Testing and Certification of Electrical Installations (4th Revised edition)

By Christopher Kitcher

Taylor & Francis Ltd. Paperback. Book Condition: new. BRAND NEW, Practical Guide to Inspection, Testing and Certification of Electrical Installations (4th Revised edition), Christopher Kitcher, This book covers everything students need to learn about inspection and testing in order to pass their exams, containing clear reference to the latest legal requirements. All of the theory required in order to pass the City & Guilds 2394 and 2395 certificates, EAL 600/4338/6 and 600/4340/4 is explained in clear, easy to remember language along with sample questions and scenarios as encountered in the exams. The book will also help prepare students on Part P Competent Person courses, City & Guilds Level 3 courses, NVQs and apprenticeship programmes for their practical inspection and testing exam. With its focus on the practical side of inspection and testing rather than just the requirements of the regulations, this book is ideal for students, experienced electricians and those working in allied industries on domestic and industrial installations.
