Reviews

The book is great and fantastic. It is written in straightforward words and phrases rather than difficult to understand. You won't really feel monotony at any time of your respective time (that's what catalogues are for regarding should you question me).

I think he told me that he sold what would be a total of thirty-six thousand dollars worth of property at the sale that afternoon. One poor fellow who had recently sold his farm bought all the lots that he could afford to buy, making the first payment down. Of course, the first payment was all we ever got and in most cases had to take back three-fourths of the lots and give them a deed to one-fourth. The first two lots I sold at Cudahy were sold at a price of fifteen hundred dollars for the two. I reported the sale on the phone to my brother John, and he said, You are a robber to take the money. But after we got the thing going there were quite a few sold at fifteen hundred dollars each at private sale. A little later we had an auction. We gave them a free ride to Cudahy, as well as free beer and lunch after they got there. As most of the choicest business property, as it was called, had been sold at private sale previous to the auction, Kendall suggested putting up some of those lots so as to give the sale a tone. The parties who had bought some of those lots agreed to this, with the understanding that if they were sold high enough they would let them go, otherwise we would bid them in and...
