Westland Limited, New Delhi, India. Softcover. Book Condition: New. In early 2008, the author AVIS Viswanathan and Vaani his soul-mate, friend, wife and business partner were staring at a bankruptcy of their Firm. A series of business decisions had literally brought them to the brink of penury, This book is their story, it captures learnings from this excruciatingly painful, Life-changing, phase that they are still going through. It also explores the nature and continuum of Life. There is no beginning to the story, There is no end either, There are simply experiences, of hopelessness, of fear, of insolvency, of pennilessness and also of faith, patience, love, companionship, abundance and soul, of integrity and of leading a principled Life, despite temptations to take the easy way out of painful or messy situations. This book has been written to share how AVIS and his family have learned to be happy despite their circumstances. You too can benefit from their learning and experience and discover the right way of thinking, living, working and winning in Life for yourself!.
