In MY LIFE IN MY POCKET FOR HIGH SCHOOL STUDENTS you will learn that there are 24 Pockets of Success. Each pocket represents an aspect of life-a lesson to help you think about various situations that you will face-things like Goals, Hope, Disappointment, Anger, Humiliation, Money, Dating, and Loss. Think of this book as a zero to 100-point quiz: you get zero if you don't write anything in the book and 100 for completing each section. By answering the questions in this book, you will learn how to be successful by engaging in a conversation with yourself through the five senses of success. By using these senses you can, and will, have your dreams come true if you think about them, visualize having them, feel good about them, write them down and act on your ideas. You will recognize the power of words and how you must have certain words in the pocket. These words will affect your decision-making and your way of thinking and how you think can make the difference between success and failure. Where you are today does not determine where you will be tomorrow. What determines your tomorrow is what you THINK about today. BR> AUTHOR BIOGRAPHY K.L. Lewis is a leading expert on Self-Advocacy.
